NEXT BOARD MEETING

December 10th, 2024 in the Depot Train Room

We value your input! Our meetings are open for any Chamber member to attend.

If you happen to notice that the chamber FB page isn't getting your business or organizations posts shared, just drop us an email or a phone call! Facebook uses complicated algorithms that can hide many of the posts from our members' pages that we have liked, and we don't want to miss you! Just give us a holler and we can reset that goofy algorithm so we see your posts! Thank you!!

Fur a Good Paws

Meet Grace

Grace needs a good country home where she can run and play. She likes attention and playing but especially treats. She is a big dog and really needs more room and freedom.

Meet Katie!

Katie is an 8-10 week old calico kitten. She is very sweet and friendly and will be ready for adoption soon she will be up to date on shots spayed and microchipped before adoption

Meet Rainn

Rainn is a male shepard terrier mix and is 2 yrs old. He is in excellent health and is completely up to date on shots. Rainn has a wonderful personality and is good with other pets , kids, and people !

Meet Bingo

This handsome pup is 7 months old and needs a home where he can run. He is outside right now but smart and trainable. Owner says he's a mix of bulldog and retriever. He gets along with other animals but does think it's funny to chase cats.

News from the Illinois Department of Labor

Equal Pay Act Salary Transparency

An amendment to the Equal Pay Act of 2003, which requires employers with 15 or more employees to include a pay scale and benefits for a position in any job posting, takes effect January 1, 2025. The goal of the legislation is to provide greater transparency to workers in the hiring process by providing them with more information about wages, salary and benefits. When violations of the law are reported to IDOL, the Department will contact the employer and provide a date by which the job posting, if still active, must be fixed. Failure to correct a posting will result in penalties.

Annual Prevailing Wage Rates Survey

Each year in June, IDOL surveys the wage rates for each craft and trade in every county. IDOL then establishes and posts the updated prevailing wage rates, by construction trade, for each county in July. By requiring that local prevailing wages are paid on public works construction and infrastructure projects, the Illinois Prevailing Wage Act helps ensure that Illinois' tax dollars are reinvested back into Illinois' workforce and spent in Illinois' economy.

Illinois Grocery Initiative – New Stores in Food Deserts Rd 2 Grant

Round 2 of New Stores in Food Deserts Program will offer competitive grants to improve access to fresh food within food deserts by providing funding to establish grocery stores. The Illinois Grocery Initiative New Stores in Food Deserts program, authorized by Public Act 103-0561, is intended to address the challenge of food deserts.

Food deserts are census tracts meeting specific criteria related to poverty standards, population density, and limited fresh food accessibility. This program aims to combat food insecurity by offering competitive grants to support the establishment of new grocery stores in these areas by reimbursing successful applicants for eligible capital and non-capital costs. In Round 2 of this program, \$11 million is available to fund these grants.

Awards can range between \$150K to \$2.4M, with a 1:3 match requirement from businesses. Requirements for grocery locations include:

- Must be or will be best classified as a supermarket or other grocery retailer in the 2022 North American Industry Classification System under code 445110, a meat retailer under code 44524, a fruit and vegetable retailer under code 44523, or a fish and seafood retailer under 44525.
- Must be located in a food desert census tract (as defined in the NOFO),
- Must earn less than 30% of revenue from alcohol and tobacco sales,
- Must accept SNAP and WIC, and
- Must contribute to diversity of fresh foods available in community.

Qualified entities include units of local government and independent grocers or cooperatives with fewer than 500 employees and no more than four grocery locations. New Stores in Food Deserts grants will fund construction and renovation costs for new stores, as well as many first-year operations costs, such as employee wages, utility costs, initial inventory of food, and more. DCEO has contracted with Western Illinois University (WIU) and Chicago State University (CSU) to provide technical assistance services for Illinois Grocery Initiative applicants and grantees. Applicants desiring assistance in preparing applications may contact these institutions directly. Their contact information is listed in the NOFO.

To view the competitive Notice of Funding Opportunity (NOFO) and apply for the grant, please visit the DCEO website www.dceo.illinois.gov/aboutdceo/grantopportunities/3295-2911.

Application deadline December 2, 2024.
